

I am very concerned that my local K-LOVE station on 90.7 FM might be replaced by a LPFM. It K-LOVE uses an FM translator to save costs. Please do not allow this to happen. Tens of thousands of people in my community listen to K-LOVE. It provides encouraging music and information to help me get through my day. I listen to it every day for at least 1 to 2 hours a day and so does my family. Removing K-LOVE would hurt the morale of the community. K-LOVE not only provides music but provides unbiased and balanced news reporting. K-LOVE also does free community service announcements for free community events. Please don't take away my K-LOVE.
